
Volume 28th of “Krakowski Rocznik Archiwalny” is now available online and on sale

We are pleased to inform our readers that the 28th volume of “Krakowski Rocznik Archiwalny” has been published. The volume is dedicated to Ms Janina Stoksik, PhD - a distinguished, long-time employee of our Archives, on the occasion of a beautiful jubilee of 90 years of life. The volume contains texts on topics of interest to the Jubilarian, including the history of cartography.

The electronic version of the volume is now available in the section [Volumes online](#) and a printed copy can be purchased at the National Archives in Krakow. We warmly invite you to read it!
