## Reviewers

### Invitation for reviewers to cooperate

We invite all specialists in the humanities and scientific disciplines that reflect the profile of our journal to cooperate in the review process of texts published in “Krakowski Rocznik Archiwalny”.

Reviewers interested in cooperating with us are encouraged to read the review rules described in the section [Review procedure](#) as well as the ethical principles applicable for reviewers available in the section [Ethical principles of publication](#), under the heading Ethical principles for reviewers.
